	4500	4000	3000

AACE-Arabian Gulf Section, an international body with headquarters in USA, widely spread and well recognized across the world, in the field of “Total Cost Management”, “Planning & Scheduling”, “Earned Value Management” etc.

Cost Management, the ultimate baseline for the success of any industry right from Project initiation, has very high under-tapped potential across the Middle East with the heavy investment happening in various sectors like, Oil & Gas, Infrastructure etc. There is a noticeable shortage of trained and certified professionals in this region and AACEI-AGS is working towards filling the gap between the availability and requirement. The Arabian Gulf section which awarded the best chapter awards many times is supported with an excellent team of professional expertise for grooming the potential candidates for the CCP (Certified Cost Professional) (*formerly known as the CCC/CCE - Certified Cost Consultant / Certified Cost Engineer*), PSP (Planning & Scheduling Professional) and ICC (Interim Cost Consultant) certifications, which are the most widely recognized professional certification in this field.

We conduct three evening courses every year, and the response and passing rate have been overwhelming. If you are in the Project Management / Project Controls / Estimation / Costing / Manufacturing or any related management areas and are still not formally and professionally certified, this could be a great opportunity to accelerate your career growth and contribute better to the industrial community worldwide.

AACE-AGS representatives will be more than happy to assist you with further details, if required for deciding on joining the program. Furthermore we invite you to visit our websites www.aacei.org / www.aace-ags.org for an in-depth understanding of the association and its worldwide and regional activities. Course Brochure and Registration Form are attached herewith.

Note: AGS also provides in-house training program for companies / organizations on their premises during the 5-day work week.

With best regards,

Larry G. Sapio, CCP, Director-CET, AACE-AGS, Mob # 05-5840-9396
Shaik Alimoddin, MHRM, Administrator, AACE-AGS, Mob# 05-6711-3479
