Mr. David Clifton

Middle East Regional Development Director - Faithful+Gould

Having worked in the industry for over 18 years (USA, UK and the Middle East), he has amassed a wealth of knowledge and experience whilst developing delivery plans for a variety of projects from project, program, client representative and planning management functions in the aviation, infrastructure, mixed use, healthcare, oil & gas and lifestyle sectors. David's insight into the region's unique macro-economic & construction economics' trends as well as his in-depth knowledge of its historical trends has been an indispensable tool in the delivery of a large number of projects and industry improvements including the recent Royal Saudi Decree for the installation of a much-needed nation-wide Project Management Office Network under the supervision of the Saudi Ministry of Planning to which his contribution was key.
